# ENVIRONMENTAL RESPONSIBILITY IS EVERYBODY'S BUSINESS.

Closed Loop Nylon Recycling

PET Fiber Recycling

Rubber Tire Recycling

Soy-based Polyurethane

Among the many elements earning Mohawk Industries the Evergreen Award was the fact that the brand has over 100 products manufactured with significant recycled content, including commercial carpet with trademarked Colorstrand Infinity nylon fiber, residential carpet using fiber made from recycled plastic soda

bottles, plus doormats made from old tires. Mohawk, in coordination with Dow Chemical, has also introduced a commercial carpet made with sustainable biobased soybean derivative-attached cushion.
