A VIRGINIA LANGLEY COLLECTION

VIRGINIA  
LANGLEY

*The timeless styles from Tibet and Nepal are the inspiration for Sanctuary. It is a tribute to the historic elements typical of the textiles that were transported to all corners of the earth and incorporated into various trends over the ages.*

*The designs in Sanctuary bring about a new adaptation to these widely used styles – some tend to maintain the traditional gracefulness and subtleness and others are boldly more modern and dramatic in their presence.*

*By looking for the new and for the classical when creating this collection, it is my intention to provide the designer with versatility of patterns and ability to find use for the various design combinations in a multitude of décor settings and hope that each will bring a sense of harmony. Enlighten your next project with Sanctuary.*
