

AMBRIA

A VIRGINIA LANGLEY COLLECTION

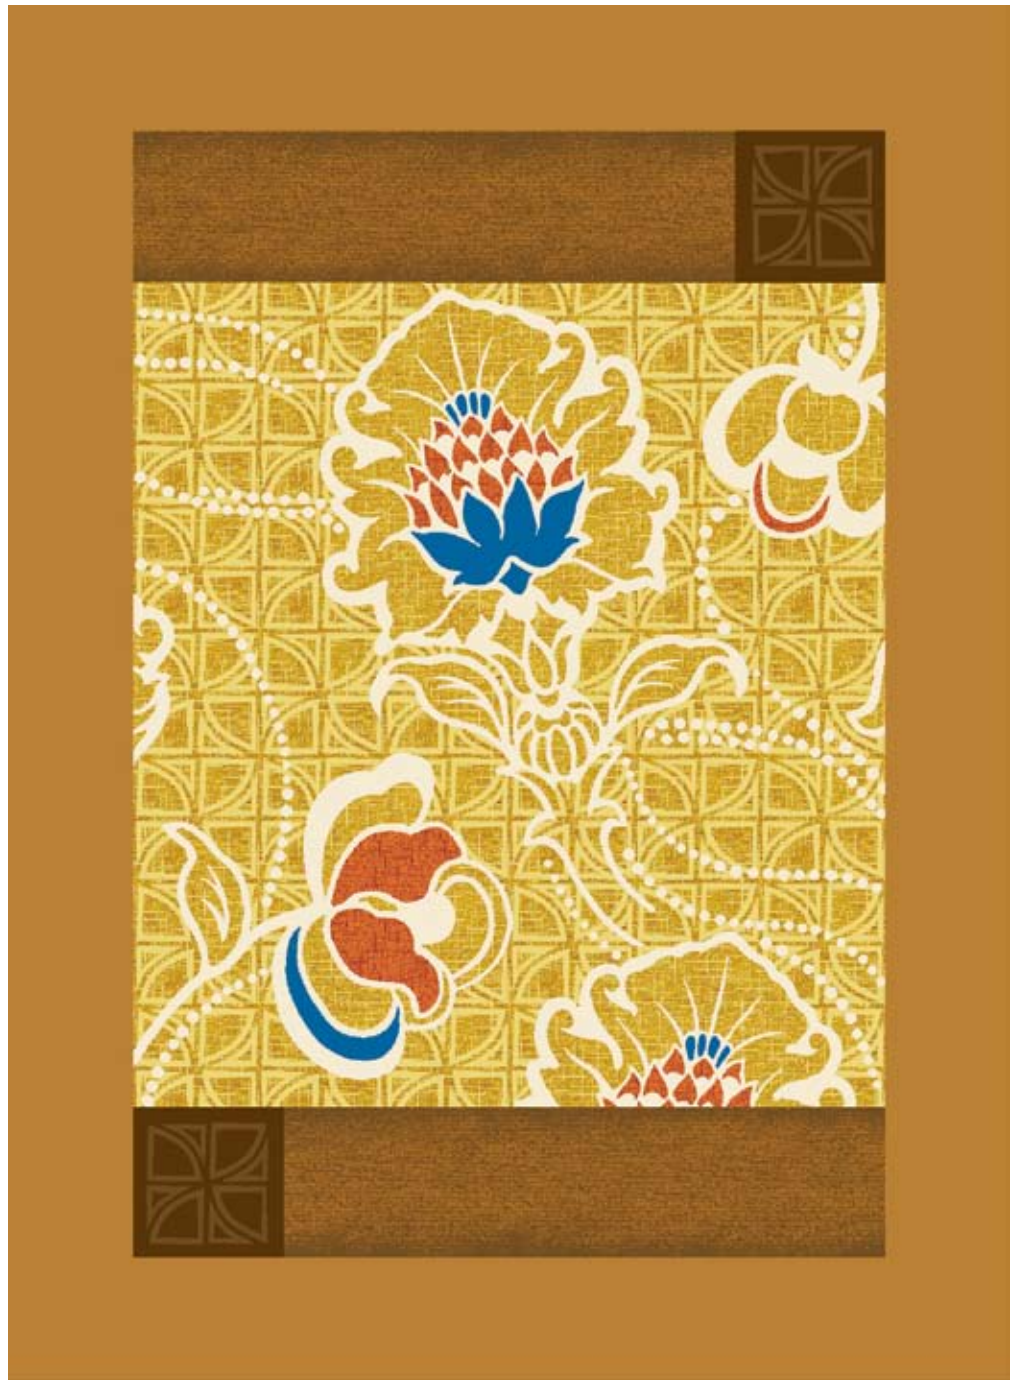

DURKAN
HOSPITALITY

VIRGINIA
LANGLEY

*With flowing organics
and freestyle geometrics,
Ambria emits a sense
of cool confidence.
The designs are sensual
yet fresh in appearance
and the decidedly
distinctive backgrounds
of labyrinth patterns
flowing throughout the
collection represent an
elegant modernism.*

*By adding stylized
textures, the subtle
enhancements allow
the impact of the design
to flourish on the floor
while keeping with a
minimalist look for
hospitality design.*
