

QuickShip Patterns

Durkan Hospitality's extensive line of color-coordinating QuickShip patterns for a variety of markets eliminates time anxiety with a five-working-day production guarantee. Durkan has expanded our extensive line of QuickShip patterns developed to cover a broad range of markets from hospitality, restaurant, retail, assisted living, contract, casino, office and entertainment environments. Selected patterns are presented in multiple pre-set coordinating colorways, and most can be mixed and matched to fulfill a wide range of requirements. This is a great program for designers and end-users to get patterned carpet quickly. All QuickShip patterns are available for shipment with a fast five-working-day production turnaround. Rely on the industry's top patterned carpet manufacturer to give you a program that fits your needs. Try our QuickShip program today and see what a difference it can make for you.
