

SANYA CYP

A VIRGINIA LANGLEY COLLECTION

"When I lived in Africa I used to go on safaris along the Sanyati River, where the landscape is embellished with striking Protea flowers and dramatic Flame Lilies. Both strong and bold in the glorious style that nature holds."

"In this collection I have stylized the exotic flamboyance of these botanicals and incorporated that with a transitional revival of Art Deco flare. Contemporary textures accompany the linear reflections to give a sense of sophistication and luxury."
