

VILLA' GIO

A VIRGINIA LANGLEY COLLECTION

VIRGINIA
LANGLEY

These designs carry with them a strong influence of "old world" tapestries and have a fragrance of Aubusson styling to them. The types one might find in grand villas in Tuscany.

This being the inspiration to the collection, the ideas have been transformed into a more modernistic approach, keeping the gracefulness of the traditional European look and yet enlightening them with an American style so as to suit today's world.
