

WILD FIRE

a Virginia Langley collection

CYP

VIRGINIA
LANGLEY

*The Wild Fire collection
inspires a sense of warmth
and originality that can be
used in a variety of
environments.*

*The selection of color ways in
warm reds, oranges, browns
and ochres further echoes
this vision.*

*The motifs are a masterful
mix of old and new, with
classic icons such as fleurs de
lis and Grecian keys in an
interplay with graffiti-styled
lines and spirals.*

*“My hope is that specifiers
can appreciate floor
coverings much in the way
they would an artistic
canvas.” - Virginia*
