

exciting, fun, easy
to install, affordable,
and best of all it's Lees.

LEES

endLess possibilities

Lees GrabBag provides a unique opportunity to create fun, dynamic spaces at a fraction of the typical performance carpet budget. GrabBag offers a mixed variety of patterns and colors, and the best part is you get to enjoy the quality and performance of Lees along with all the benefits modular carpets has to offer.

Modular Conveniences and Benefits

Modular carpets are widely known for their performance, convenience and economic benefits.

When specifying GrabBag you'll get to enjoy all the benefits modular has to offer:

- Faster, more economical installations, especially in occupied spaces
- Compatible with LIFT systems, ideal for installation under existing furniture
- Convenient to handle and store
- Significantly reduced waste compared to roll goods
- Ideal for creative, dynamic design
- Installation and repairs are considerably easier (may be performed in-house)
- Easy to remove, making future installations more economical

Ideal for Creative Environments

With Lees GrabBag the possibilities are endless, making designs ideal for:

- K-12
- Pediatrics
- Day Care
- Common Areas
- Meeting Rooms
